Mural Wall

Theme Wall

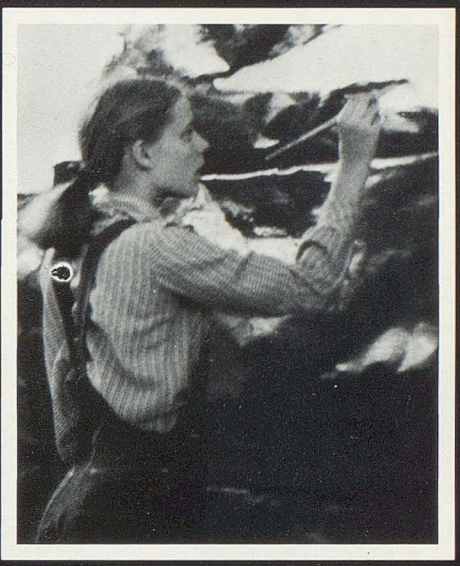

A dream come true for the juniors of 1980. Entrance to their colorful dreamland was through a sky blue tunnel which led into this wonderful fantasy. Covering the east wall, was a painted mural. It pictured white seagulls flying over a lonely sailboat in the middle of a sea, with the golden sun setting behind it. It took many long, hard-working hours to accomplish this, but thanks to the class of '81, the Prom of '80 was a huge success.

"Moonlight and Roses"

Another year goes passing by, Another Prom is here. To some this brings a joyous smile, to others, brings a tear. For four years you have tread a path from dawn to setting sun. But now the path gets steeper, and the climb has just begun. We're very glad to have known you; we miss you now that you've gone. And to the class of 80, We dedicate our Prom. Sr. 81

Hecker hard at work!

This years cinder success will depend upon many unproven athletics. The 1980 track squad finished 1st in the conference and was runner-up to Parkway South, by a narrow margin, in district competition. However, the leaders of that team had graduated.

Many positions have no returning experience, so much preparation will have to be done in the early season to get ready for competition.

Standouts returning for the Mules include: Srs. Dale Hite, John Rice, and Mark Gladney will handle most of the sprinting events. Senior David Odom, Jrs. Jay Myer and Steve Ray along with Soph. Arthur Waddle have experience in the distance events.

Sr. sprinter D. Hite shows he is in a class by himself.

Sr. L. Davis uses his strength to score in the shot.

Jr. C. Worley picks up points in the discus.

Sr. M. Gladney gets high in this jump.

# Girls District Champs

A

B

In their second season of interscholastic competition, the girls captured the Farmington Inv., Kennett Inv., Sikeston Inv., Cape relays, finished undefeated in dual competition, plus finished 1st in the conference and district meets.

With only two Srs. graduated off this team, similar results are expected by Coach Bill Caputo, "We should have an even more balanced team this year, with the returning experience plus our newcomers."

C

A. Jr. Rena Brown District Champ in shot, 2nd in discus. Finished 4th in state in shot and 8th in discus.
B. Sr. LaRita Hawes District Champ in long jump and triple jump. Finished 3rd in state in long jump.

# In Memory of Michael Ray Vandover

We've all made a lot of friends,
and had ourselves a time.
But for one of us, time was short
and we all wondered why.
I guess it's like the fallen snow
that comes on special days,
it, is, just so beautiful we
all want it to stay.
But special things are special
and God made it so.
It all has its time to come
and its time to go.
Some of us will see again
and some of us will never see,
I guess all we can do, is thank
God for memories!

Kevin Montgomery

When I accepted the job of Editor, I gave myself a word of caution not to consider the 1981 *Bluff* "my" book. I have tried to keep my word and hope that the staff members can catch glimpses of their personality also. It would be absurd to assume the *Bluff* to be the result of the efforts of one individual, and I better than anyone know how invalid that assumption would be. The dedicated staff members made me aware of what hardworking, dependable people are worth. My association with Mr. Caputo reassured me of what a truly fine person he is, as he offered words of encouragement, support, and optimism throughout the year.

The 1981 *Bluff* is yours to judge and determine its worth. For those misspelled names and inadequately covered events, I apologize but assure you that the book has been done with hopeful anticipation of pleasing you the students, not a judge in a contest. I have not attempted to chronicle our memories of the year at PBHS; this we must do on our own. The 1981 *Bluff* should serve as a link between the events and people of the year, and the memories we have of them. If it does, then its purpose has been accomplished.

I have come to an end of a great part of time and I hope I have left a part of myself here at PBHS. I am so grateful to have had the opportunity to edit the 1981 *Bluff* and work with Coach Caputo and sincerely hope that you are pleased with the results. However, as always, that decision is yours.
